FANTASY COLORS PENCIL CASE

ENCOUNTER A GOOD LIFE

It is built in in 1994, Beifa group is the top 3 pen manufacturer in Ningbo, China, a high technology enterprise of China stationery manufacturing. Beifa invests 20 student & office stationery factories. And it has 5 overseas branches in Russia, United States, Panama, U.A.E, and Spain. The stationery products are: sticky notes, school pencil sharpener, loose-leaf notebook, school scissors, hard cover notebook, permanent marker, stationary set. These student supply items are very hot selling in book store. Beifa owns three industrial factory bases with a total 2,000 workers. R&D is the most important thing that Beifa cares about and invests 5% of total income on it, through years of development. It has granted for around 3,000 patents, and built a CNAS laboratory, winning the title of National Level High technology company. Beifa group has passed FSC、 PEFC、 FCCA certificate, quality control: ISO9001, ISO14001, ISO45001, Social responsibility: WCA, ICTI SCAN, whose products passed EN71, and ASTM. As China biggest stationery manufacturer, Beifa right now occupies 16.5% of the Chinese pen export share and accumulated 1.5 billion customers around the world. Through 100,000 retailing terminals, the products are shipped to about 150 regions and countries in the world. There are 40 out of Fortune 500 companies including COSTCO, WAL-MART, TESCO have cooperation partnership with Beifa Group. Special products are chosen for the Shanghai Cooperation Organization, and the Beijing Winter Olympics. The group is aggressively integrating and expanding in the stationery domain and creates 7 Brands: A+PLUS, VANCH, GO GREEN, INKLAB, BLOT, KIDS and LAMPO, a brand matrix covering fashion, student, office, gift domain. enjoyed a high prestige and made good service to most famous stationary company in the world. We welcome stationery online store to cooperate with us.
